

		<p>Pea Straw - LM reported that sales of bales are going well. A trademe listing has been created for these. \$750 made so far and approximately another 100 bales available.</p> <p>Teacher's Lunch Shout - The PTA will be providing a complimentary lunch for the Principal, Teachers, Teacher Aids and Support Staff. This is to show our appreciation for their handling of last Friday's bus incident.</p> <p>TH passed on Dave's thanks for EM's kind words in relation to the above incident and for the offer of the lunch shout. It has been well received by all the Staff.</p> <p>TH also shared that R1 &amp; R2 have begun Music and Movement-type sessions with Mrs Heather Birnie. This is being funded by some of the Classroom Resource money provided by the PTA.</p> <p>Fuel Vouchers - Discussion has again about fuel vouchers being provided to those parents who offer to take their cars on school trips for senior school children.</p> <p><u>Other Fundraising Ideas</u></p> <p>Clearing Sale in T1 2020. Farmers pay set fee to be able to bring their items to the sale. Items are auctioned off. Large items to be notified beforehand so that they can be advertised. Suggestion made that Peter Walsh &amp; Associated be asked if they would donate their auctioneering skills.</p> <p>Christmas Hampers - with so many 'crafty' people in our area, it was suggested that we could put together and sell Christmas hampers. Perhaps asking some of our Granny Readers and their friends if they would help in the creation of items too, if supplies were provided to them.</p> <p>Bake Stall at the Ellesmere A &amp; P Show. Sat 12th October 2019. EM to investigate cost etc further.</p>
