Sunday 11 August 2019.

It is with deep sadness that we inform you that one of our parents Jacqui Carswell died as a result of a car accident on Saturday evening. Jacqui was a devoted and loving Mum to her children – one of them being Chloe who attends our school. Jacqui coached our netball team last year.

Our love and thoughts are with Chloe and her family at this time.

I know you will join us in our support and sympathy for the Carswell family and friends.

Ngā mihi
